However, please be advised that the Clerk and staff are not able to provide legal opinions to individuals regarding their petition papers. Prospective candidates are encouraged to consult their own legal advisors on questions related to qualifications for office, preparation of petition papers, circulator requirements, signature requirements, etc., because once the petition papers are officially filed they cannot be changed or amended.

Two or more petitions filed within the last hour of the filing deadline, **November 18, 2024**, shall be deemed filed simultaneously for last position on the ballot.

3. Candidates for established political parties appear first on the ballot followed by new political party candidates and finally, by independent candidates. The Township Clerk will notify candidates involved in the lottery of the time and place the lottery is to be held.

**This packet of information is being provided by the Lake County Clerk's office as a courtesy to prospective candidates. Information and suggested forms are also available on the Illinois State Board of Elections website at [www.elections.il.gov](http://www.elections.il.gov). It is important to note that Nominating Petition papers are subject to legal challenge by objectors if improperly completed. The Electoral Board, chaired by the Clerk, holds hearings to consider and resolve these objections. However, please be advised that the Clerk and staff are not able to provide legal opinions to individuals regarding their petition papers. Prospective candidates are encouraged to consult their own legal advisors on questions related to qualifications for office, preparation of petition papers, circulator requirements, signature requirements, etc., because once the petition papers are officially filed they cannot be changed or amended.**

**Political Party Committee:** means the State central committee of a political party, a county central committee of a political party, a legislative caucus committee, or a committee formed by a ward or township committeeman of a political party. A legislative caucus committee means a committee established for the purpose of electing candidates to the General Assembly by the person elected President of the Senate, Minority Leader of the Senate, Speaker of the House of Representatives, Minority Leader of the House of Representatives, or a committee established by 5 or more members of the same caucus of the Senate or 10 or more members of the same caucus of the House of Representatives.

Political Action Committee includes any natural person, trust, partnership, committee, association, corporation, or other organization or group of persons, other than a candidate, political party, candidate political committee, or political party committee, that makes electioneering communications during any 12 month period in an aggregate amount exceeding \$5000 related to any candidate or candidates for public office.

The \$5000 threshold applies to any contributions or expenditures received or made with the purpose of securing a place on the ballot for, advocating the defeat or passage of, or engaging in electioneering communication regarding the question of public policy, regardless of the method of initiation of the question of public policy and regardless of whether petitions have been circulated or filed with the appropriate office or whether the question has been adopted and certified by the governing body.

# **SIMULTANEOUS FILINGS – LOTTERY PROCEDURES**

## **STATE BOARD OF ELECTIONS – RULES AND REGULATIONS**

### **(As codified under the Illinois Administrative Procedures Act)**

#### **Section 201.40 Simultaneous Filing for the Same Office – LOTTERY**

Simultaneous filings of candidate nominating petitions for the same office occur only at 8:00 a.m., or the opening hour, on the first day of filing. The lottery system to be used by the State Board of Elections, the election authority, or the local election official to break ties resulting from such simultaneous filings must be approved by the State Board of Elections. The following system has been approved:

- a) The names of all candidates who filed simultaneously for the same office shall be listed alphabetically and shall be numbered consecutively commencing with the number one which shall be assigned to the candidate whose name is listed first on the alphabetical list; provided, however, that candidates filing a group petition for the same office shall be treated as one in the alphabetical list. For example, if five candidates by the name of Downs, Brown, Edwards, Cook and Adams have filed simultaneously, they will be arranged alphabetically and assigned numbers as follows: Adams, one; Brown, two; Cook, three; Downs, four; and Edwards, five. However, if Cook and Adams filed a group petition and Cook's name appeared first on the petition, then the candidates would be arranged as follows: Brown, one; Cook and Adams, two; Downs, three; and Edwards, four.
- b) All ties will be broken by a single drawing. A number shall be placed in a container representing each number assigned to each candidate and group of candidates pursuant to the alphabetical listing procedures set forth in paragraph a) above. For example, if the largest number to be used for any office is five, then numbers one, two, three, four and five will be placed in a container. In this manner, sufficient numbers will be placed in the container to conduct a drawing for all offices at the same time.
- c) After the numbers are placed in the container, they shall be drawn one at a time from the container after they have been thoroughly shaken and mixed. The candidate or group of candidates in the position on an alphabetical list corresponding to the first number drawn shall be certified ahead of the other candidates listed on the alphabetical list. The candidate or group of candidates in the position on the alphabetical list corresponding to the second number drawn will be certified second and so forth until all numbers have been drawn. For example, where no group petitions were filed, if candidates Adams, Brown, Cook, Downs, and Edwards filed simultaneously at 8:00 a.m. on the first day of filing, and the number three is first drawn, then candidate Cook, who is listed in the third position on the alphabetical list, shall be certified first on the ballot. If the number one is drawn second, then candidate Adams, who is listed in the first position on the alphabetical list, shall be certified second on the ballot...and so on. For offices where group petitions were filed, using the example set forth above where candidates Cook and Adams file a group petition for the same office, and Cook's name appears first on the petition, and number three is drawn first, then candidate Downs would be listed first. If the number two is drawn second, then candidates Cook and Adams would be certified

second and third, respectively. If the number four is drawn third, then candidate Edwards would be certified fourth...and so on. In districts with fewer names on the alphabetical list than are in the drawing, then all numbers in excess of the number of candidates or group of candidates that appear on the particular alphabetical list shall be disregarded. Thus, if five numbers are placed in the container, and only four candidates or groups of candidates are on a particular list, then the number five shall be disregarded. For example, if candidates Adams and Cook, filing separate petitions, are the only candidates listed on the alphabetical list and five numbers are chosen in the following order: 3, 5, 4, 2 and 1, then candidate Cook's name will appear in the certification prior to the name of candidate Adams.

- d) \* If at 5:00 p.m. on the last day of filing, two or more nominating petitions for the same office are presented they shall be deemed filed in the order of actual receipt. Ballot position shall be assigned consecutively to these petitions with the first petition received placed upon the ballot before the second set of petitions received and so on. No nominating petitions will be accepted after 5:00 p.m.

**\* Per P.A. 97-1044 (Effective January 1, 2013) and P.A. 98-115 (Effective July 29, 2013); 2 or more petitions filed within the last hour of the filing deadline shall be deemed filed simultaneously and the order of candidate placement on the ballot will be determined by a separate lottery drawing.**  
**[10 ILCS 5/7-12(6); 8-9(2); 10-6.2]**

- e) All candidates shall be certified in the order in which petitions have been filed with the State Board of Elections, election authority or the local election official. In cases where candidates have filed simultaneously, they shall be certified (in the order determined by the lottery procedure outlined above) prior to candidates who filed for the same office who filed their petitions at a later time, except in those situations where the law requires rotation on a district-by-district basis.
